I want to sex you up Destiny

I just got married one year ago and I'm already wanting someone else. My husband travels a lot for weeks at a time and I get very lonely, very quickly. Fortunately for me, his best friend is always there to make me feel better. At first I resisted, but I eventually gave into him while my hubby was away. I sure hope that my new husband does not see these pictures.

three on a bed Jordan

These pictures are of our fifth anniversary. That's Justin, my husband and his best friend Andy. He's my present. Actually his cock is. It's also been a couple years since our last threesome and I've been bugging him to have one. I'm so horny that I can gulp one cock and slurp the other. I'm meant to be shared and my body aches to be pleased and tonight that's gonna happen.

rainy day fuck Teagan

My sister was always the smart one and I was, and still am, the cute one. My sister was jealous of me growing up because I graduated third in my high school class. When I went to college, I discovered more than my studies. I discovered boys. And I let them discover me. I got married right out of college and bored with my hubby two years later. I couldn't divorce him, so I play around behind his back all the time.

I confess that I'm a real horn-dog. I can't say I'm addicted to sex, but I sure fo think about it a lot. And I get many chances to fulfill my desires. Like when I fuck Cheyne. I know he'll like it a lot. He's a horn-dog too, so we fucked, and by the time he got his cock into my wet pussy, he came and I pulled him out and took it in my mouth.

One of the current trends in tattooing is women expressing themselves with ink on their lower back. Because of the reputation of some girls, the ink is now known as the Tramp Stamp.

tramp stamps

Gone are the days when tattoos were reserved for pirates and sailors. In recent years we've seen an increase in everyone from super models to middle agers all wanting to add ink to their bods. Tats have differed from culture to culture throughout the course of time. Research has shown that the purpose of tattoos came from Egypt during the time of the pyramids, although most believe they started much earlier. Egyptians were believed to use tattoos to mark the slaves and the peasants. In New Zealand, men received tattoos on their face, legs and buttocks not only to symbolize status and rank but to make themselves more attractive to the opposite sex. Tattoos were also showing up in the western regions at this time but weren't accepted. Since 1900 there has been a resurgence in the practice of tattooing not only for men but for women too. 'Sailor Jerry' was famous for his tattooing of sailors. 'Sailor Jerry' entrusted his artwork to his proteges Ed Hardy and Mike Malone, both of whom have become prominent figures in their own right. Hardy, who turned down a scholarship to Yale in order to pursue tattooing, is known for his artistic sophistication and large scale tattoos. Tattoos are no longer just a way to signify cultural identity or a represent gang status. People of today are using their bodies as a billboard to promote themselves. Think ink.

Each woman has her own message. Some are deep and penetrating, often in Japanese; some are there purely for the artistic nature of the ink. No matter the message or the artistic beauty, it's there to be seen. Bikinis are a great way to display the art in public, but there is little doubt that it's meant to be seen during sex, with doggie or reverse cowgirl as the position of choice.

nasty is my middle name

I may look sweet, but I'm real adventurous and kinda nasty, too. Sex has always been an adventure for me from my first experience to my last. I'm the type of girl who's all in or all out. So when I had to pay my speeding ticket and I had no money, the not-so-gentle police officer accepted my sweet, young ass as payment. I started our little session with a nice blow job and then it all progressed from there. Now I have to find a way to pay the rent.

My lust knows no bounds

Sex with my husband was never that good. We did all the usual stuff. Once in a while he would get adventurous and stick his finger in my ass, but that was as far as he ever went with it. Little did he know how good that felt, and that I wanted more of it. When I finally told him that I wanted to have his cock back there, that turned him on. Now, in addition to all the good anal cock fucks, we use toys all the time.

My butt can make you happy

Yes, I said it. I'm only lonely with my husband. I married him thinking it would be fun and games, but after the fun ran out for him, he ran out of libido and he's now a sexual dud instead of a stud. I don't know if he doesn't find me attractive anymore or if he's getting it on the side, but he's sure not getting it at home. So when I need my ass slapped or pussy fucked, I just text my friend for a booty call.

I'm craving a big cock like yours

I walked out on my first husband within the first six months. That really made me gun-shy about marriage. Now I just fool around with anyone at hand whenever I get lonely. I was faithful to him, but found that he was screwing around on me the entire time we were married. I should have known that football players were that way. They don't have a loyal bone in their body. Only boners. Now it's my time to let loose.

I played with Byron for a long time before Billy came over. And when he did, it was the type of fuckfest I live for. I may have come from Iowa, but I got a lot of nasty in me. The best part of my day was when one was sucking my sweet pussy while I was sucking the other's cock. No wait, the best part was when one was in my mouth and one was in my pussy. No wait, my ass...

ONE ASS AND TWO COCKS. OH MY!
800-761-2742
MUST BE 18+

Lust is a four-letter word

Believe it or not, I met Selene on the internet. It was my first time trying a lesbian dating site.

I'm thirty-three and Selene is probably around thirty also, but I've never asked her. She still looks like she's twenty. I have never seen her in person, but the pictures she shared with me over the internet and cell phone has fired my imagination. Selene tells me she has a large appetite for sex. Her passions inspire me and I want to be the best lover I can for her. Selene has responded to my willingness to try different things and to take the time to arouse her deepest passions. I just know her sweet treasure will be wet and juicy and ready for me. She tells me that her long blonde hair is a veil that hangs over her bountiful breasts.

I'm now on my way over to the apartment. I call Selene to tell her that I'm close by. She tells me she is home and awaits me. When I arrive she is dressed in a short dark blue dress and flip flops. Her giggle is happy and almost filled with anticipation. Her slight southern accent only makes her more desirable. We had planned a champagne party to get things started and she still seems willing.

I'm dressed in a little red dress and bringing a surprise along with me but will have to show it to her later. We say hello to each other with huge smiles as we see that the attraction is there. Not wanting to be obvious on the door stoop, she invites me in, closes the door and gives me a big hug. Our breasts touch in the embrace and I feel her fullness. Her face is beautiful, as is her body, and I cannot wait for us to be together. Selene tells me she is ready to feel my body; ready to take all the loving I can dish out.

I drop my bag by the door as she escorts me in and offers a cup of coffee or tea. I politely refuse but ask for some water because the warm Dallas day has made me thirsty. I look at her as she leaves the room. Her figure is awesome and her hair is gorgeous. She returns from the kitchen and places the glass in my hand. I thank her smiling as I sip and refresh myself.

Over our water, I break open the champagne I brought. We make small talk for an hour and then the conversation begins to get more erotic. She tells me about some of her experiences with both men and women. I am the more quiet one and but I feel comfortable telling her about some of mine. It seems neither one of us has been that experimental with sex in our lives and this meeting may just be kizmet. As we empty and refill our bubbly glasses, we are liking each other even more.

Realizing the encounter is now imminent, we put our empty glasses down next to the empty bottle. After a minute I am on my back on the sofa so she can more fully adore me.

My dress has hiked up and now my panty is exposed and it seems to fuel her ardor. She arches over me so her pussy is just over my face. I kiss the insides of her silky thighs and work my way up to her treasure. Still covered with the fabric, I nuzzle it in anticipation.

The bubbly has taken its toll with us. We're giggly, tipsy and feeling pretty sexy. Slowly we both get upright and on the count of three pull our dress tops open. Our breasts are exposed and again we giggle complimenting each other on their beauty. Hers are full with perfect sized nipples ready to be licked and sucked, which, of course, I oblige. Mine are smaller but still quite firm and shapely and her mouth is welcomed with soft moans and groans.

Now it's time for the dresses to come off and release their hidden secrets. As they are pulled down I notice her mons is clean shaven. I have a little hair, but I'm clean shaven around the pussy lips. I cannot take in everything that I want to see. I am on sensory overload. Her slit is shaved smooth. I can just see the pink of her inner lips peeking out. Her nipples are erect. Her smile is so welcoming. I know that I made the right choice. Finally, my gaze settles into her blue eyes.

Selene breaks the spell and the silence by asking me if I like what I see. I manage to sputter out that I am enthralled. I can feel my pussy getting wetter with anticipation. It is a wonderful feeling as my passion begins to rise. She teases me to bend over so she can lick my sweet pussy. I lean over the back of the sofa as she nestles her mouth into my posterior. I feel her tongue probing my pussy lips and rising up to my puckered hole. The feelings are sublime. Her tongue travels well between my pussy and butthole. She gently probes them as they get wetter and wetter with each pass of her tongue.

Now it's my turn as I gaze at the object of my affection and just as I close in to lick her, she pushes me back on the sofa saying she's not done with me yet. I see a sly smile break across her face as she sucks on my nipples and works her way down to my pussy again. Pulling my pussy lips open, she attacks my clit like a velvet warrior: soft yet hard. I lean back, close my eyes and take in all the senses that her swirling tongue delivers.

I climax quickly but she continues to lick me, inserting her fingers deep into my soaking wet pussy thrusting them in and out until I cum again and again. I have to close my thighs. I cannot take any more for the moment. She sits up, her long tresses framing her beautiful face and her mouth wet with my juices. She bends over to give me a deep kiss and I taste myself on her lips and get even more excited. I hug and caress her. Her skin is softer than I imagined. Her vanilla-scented perfume mingles with the raw musky scent of her sexed-up body chemistry. Bending my head down, I kiss her again pressing a little harder, parting her lips and thrusting my tongue past her teeth. Selene kisses me back with even more energy and passion than before. Our tongues do a slimy ballet in each other's mouths.

She bends over to give me a deep kiss and I taste myself on her lips and get even more excited. I hug and caress her.

My free hand begins to caress Selene's breasts. Gently I twist and pull her nipples and she moans with pleasure. Once again, I pull her to me. Our bare bodies pressed together for the first time. Our tongues dueled. I never wanted her lips to leave mine again. Laying back on the sofa, I pulled her on top of me. Her magnificent breasts were mashed against mine. My hands reached around and cupped her firm, round ass. My legs were spread and she started to slowly grind her pussy against me. The space between my legs was slick and moist.

Our lips never parted. Her hands were on my face as she continued to kiss me. I whimpered in frustration as she rolled to the side. I tried to wrap my legs around her, but she was stronger than me. Selene left a wet trail of kisses down my neck to my shoulder. Her hands roamed my body, working their way lower. From my arms to my breasts. From my breasts to my belly.

I arched my back and thrashed around on her bed. She had built me up and I was so close!

I was laying flat on my back. A gasp escaped my lips as she cupped my mound.

She established an easy rhythm that varied just enough to keep me off balance, but she never let up. My hands reached for her head. I wanted to kiss her so badly. Still she continued to rub my pussy. I grabbed a handful of her hair and pulled her to me. I was nearing a crescendo. Her hand was moving faster. My hips moved in time with her fingers. I arched my back and thrashed around on her bed. She had built me up and I was so close! The tingling started in my toes. I had orgasms with guys before. I even had some pretty good, scream-and-wake-the-neighbours orgasms. None of them compared to this one. But we were not done. After a short break and a renewed glass of champagne, I grabbed my bag and unzipped it. I pulled out a bright red dildo. It is as big as a large cock and she smiles with approval. We discuss the virtues of a dildo over a hard cock, laughing at the expense of men's penises and the "my cock rules" attitude most of them have.

With no hesitation at all, Selene slips the dildo into her already moist mouth and moans with pleasure. I hold it in front of her as she is on her knees taking it in as far as she can. She reaches back and fondles herself as I take in the sexual spectacle before me. I tell her to get on her back as I hold the toy near my pussy and she leans back to lick it once again. I want her to touch herself so I can watch. Immediately her hands slide down her body stopping at her full breasts and rubs them until her nipples are rock hard. They continue down the firmness of her belly to her pussy where she begins to rub her clit with one hand, and hold her pussy lips open with the other so I can watch. Her legs part a little wider to allow her to slip her fingers in all the way. Selene is again fully aroused and excited.

Selene's body trembles when I pull on her nipples. I take the dildo and move around to the front of her and insert it gently into her juicy pussy. Selene's passion is contagious. I'm now slipping the vibrator in and out of her tight hole. She trembles and her first release rocks through her body. She begs me for more. Six hours have now passed full of girl sex. Finally, we head to the bedroom to nap.

Pull my panties aside and fuck me

Vanessa

I work in mid-town Manhattan and I love my job – hate my boss. So rather than let him get the better of me, I've made him my bitch by flashing my perfect boobs at him, sucking his bossy cock and training him with my pussy. Now if I want a three hour lunch break, no problem. And I get to go home early, but for that one I have to give up my ass.

There are days when I get up and my pussy's already wet. That's when I pick up the phone and call J.M. to come over and service me. first thing I do is a little strip dance for him before I suck his cock to be sure he is very aroused. Then I'll make him lick my pussy before I make him fuck me. Then, with my pussy wet, we'll fuck all night long.
